What We Do	The Ronald McDonald House provides a home for families whose children are being treated at Children’s Hospital. The “Taste of Hope” meal program ensures that the families have ready-to-eat meals available, thus taking away the worry of providing food for their family. Mount Notre Dame students go to the house and both cook and serve dinner for families staying at the house. This incredible program is fun, eye-opening, and rewarding and fulfills a large need for the families at the House.
