Summer Reading Assignment AP English Literature & Composition

Hello Ladies!

Happy reading. I am excited to see you all in August and to get into some deep discussions about the literature you will have read over the Summer. I want to encourage you to read both texts TWICE; the first time simply for pleasure and the second time read to analyze; applying more scrutiny and annotating thoroughly.

- *Hamlet* by William Shakespeare.
- *The Kite Runner* by Khaled Hosseini.

I wish you a wonderful summer with time to rest, relax and read.

Peace,

Mrs. Hagerty
