

## **MOUNT NOTRE DAME**

*Empowering Young Women*

### **CCP Anatomy & Physiology Summer Assignment**

You will be learning many new terms and concepts. To make the beginning of the year easier; I want you to learn some of the major regional, directional and plane terminology that we will be using this year.

You will watch 6 tutorials on Anatomy Terminology; then play 3 different interactives.

1. On the tutorials; take notes as you watch; and attach it to this document.
2. You will need to screen shot the results of each interactives and post them here.
3. There are follow up worksheets to complete and post as well.

\*\*\*All due by first day of class.

YouTube videos to watch:
