

MOUNT NOTRE DAME

Empowering Young Women

Dear Future AP Statistics Student,

In order to ensure we have adequate time for all curriculum in Advanced Placement Statistics, the math department has designed a pre-assignment to help introduce the concepts and terminology of study design. The assignment can be accessed in the AP Stats Summer Assignment Class Notebook in OneNote. You will be added to the notebook and will receive an email with the link to open the notebook. You may need to log into your office.com account to access it. If you have difficulty accessing the notebook, email me at the address below and I will resend the link. You can also use the link below:

[onenote:https://mountnotredamehighschool-my.sharepoint.com/personal/schutep_mndhs_org/Documents/Class%20Notebooks/AP%20Statistics%20Summer%20Assignment](https://mountnotredamehighschool-my.sharepoint.com/personal/schutep_mndhs_org/Documents/Class%20Notebooks/AP%20Statistics%20Summer%20Assignment)

The assignment will need to be submitted on the first AP Stats class at the beginning of second semester. Email any questions or concerns to the address below.

I look forward to seeing you in class in January.

Take care,

Ms. Paula Schute
Mathematics Department Chairperson
