

MNDT presents...

A concert version of *Into the Woods*

COVID-19 Protocols

Due to our Performing Arts construction and COVID-19, these performances will be held in the MND Gym with special social distancing standards.

- Face masks covering from nose to chin are required for all patrons.
- Doors for patrons will open 30-minutes before the production. All patrons will enter by the Gym entrance at the back of the school at the glass door near the handicapped parking.
- Lines for the Box Office will be separated at six feet.
- Seating will be marked on the bleachers for families.
- Handicap seating will be available on the gym floor in front of the bleachers. Please indicate your need for this on the order form.
- Due to the bleacher seating for most patrons, please bring any added support to make yourself as comfortable as possible.
- Food and Drink are permitted in the venue. Please bring your own as MNDT will not be able to offer concessions or candy grams during this production.
- To ensure safety for all, there will not be a meet-and-greet with the cast and crew following the production.
- After the production, all patrons will be dismissed from the gym in sections to leave through the same door. NOTE: Exiting through doors inside the gym is reserved for emergencies only.

If you have any questions, please feel free to reach out to Artistic Director, Mr. Kyle Imbronyev at kimbronyev@mndhs.org.
