Dear MND Community,

Who would have ever thought what March of this year would bring? I have witnessed many unexpected events in my 37 years in education and know that we have to be prepared for anything and everything. Although the COVID-19 Pandemic and resulting stay-at-home order required a big change as to the way we do things at Mount Notre Dame, I am so impressed by how our faculty, staff, students and parents dealt with the situation. You can read about our Distance Learning Plan in the pages that follow.

This edition of Developments also celebrates our seniors, our athletic programs and our very successful first annual Girls Schools Unite Campaign as well as other Advancement news. Also included in this issue is the

Honor Roll of Donors. Thanks to the many of you who are able to invest in our students by making a gift to MND. We pray for each of you every day in the Advancement Office and offer intentions for our benefactors at every school liturgy. It is because of so many of you that we can provide an excellent Catholic education to our 700+ students.

By now you probably heard that we are beginning construction of the new Performing Arts Center. We are getting ready to enter the public phase of the Achieve More...Now and Forever Campaign and will be looking for investors to help us purchase the many needed items for lighting, audio-visual and seating. Please look for information coming soon that outlines how you might be able to help or go to our website (www.mndhs.org) to learn

more. You can read about this exciting project in this issue of Developments.

We continue to celebrate God's goodness amid the trying times we find ourselves in today. I hope that you are staying healthy and ask that you please join me in praying for those affected by this world pandemic. I also ask for prayers as we work toward peace and justice in our world.

Blessings to you and your family,

LETTER FROM THE PRINCIPAL

Friends of the MND Community,

I think for all of us, it is difficult to capture in words the end of the 2019 – 2020 school year. However, as St. Julie said, "better mistakes than paralysis" and so Mount Notre Dame's faculty, staff and students adjusted and grew from our COVID – 19 experience. Besides our academic learning – that continued despite our virtual classroom environment, we also found ample ways to be "authentically MND." New events, such as Cougarbration, the School Supplies Return Days, video-led prayer and the 2020 Commencement Experience helped us to engage in the MND Experience while at home.

As I have reflected, there are two lessons that I have taken away

these past months. The first is that the MND Experience – which we always describe as special – is more special than any of us realized. The urge that each of us has felt to be "back at school" lets us know that we have been a part of a life-giving community that has fed our hearts, souls, minds and spirit. The second is that it is so important to capitalize on instantaneous opportunity. While COVID-19 was not something any of us could have predicted, the experience is a reminder for us to take advantage of every instant in time to experience life to its fullest, to make someone else's day, to share a smile or compliment or to pause to breathe in the moment and to thank God for our gift of life. If COVID-19 has taught

us these lessons, then I feel we have gained rather than lost.

To all who help us through with your gifts of time, talent and treasure – we thank you. You have helped us bring a most memorable 2019 – 2020 year to a successful completion. Our hallways are quieter and our Zoom calls less frequent, and yet the work continues to bring about the next year of experiences that will become the 2020 – 2021 MND experience!

May you find God's blessings ever present today and always – especially throughout the summer.

Fondly,

Karen M. Day

ON THE COVER: In the face of the COVID-19 pandemic, students and faculty transitioned to MND's Digital Distance Learning Plan. Turn to page 4 to learn more about how MND was prepared for this unprecedented reality.

PLANNING for a PANDEMIC

How MND was prepared for the COVID-19 Pandemic

The old adage, "Plan for the worst and hope for the best" has never seemed so relevant. When the COVID-19 pandemic became a reality in March 2020 with Governor DeWine's order to close Ohio school buildings, Mount Notre Dame was prepared. MND's Digital Distance Learning Plan was officially enacted on March 18, 2020. The comprehensive plan launched a digital environment in which MND could hold a school day in a non-traditional manner. MND was prepared to effectively teach using this plan as long as necessary, even if that meant not returning to MND's campus for the remainder of the school year.

Mi' Cayla Pitts '20 engaging in Digital Distance Learning at her home.

In developing the plan, MND's goals were to create a learning environment that propels MND students forward in their college-preparatory curriculum; provide a flexible protocol that allows faculty to tap into their creativity and strengths while leveraging the power of MND's technologies; and respect the school, faculty and students during implementation.

MND's Digital Distance Learning Plan is based upon three key areas:

- **Planning** - Includes instruction and assessment
- **Feedback** - Allows students and faculty to gauge learning
- **Support** - Allows students to have digital access to teachers as well as MND's Guidance and Intervention departments

The focus was on essential curriculum that would move students forward in their courses. Students could expect activities/lessons that tapped into digital resources and multiple modalities that promoted accountability for the content as well as unique assessment tools that allowed students to showcase learning.

MND Principal Mrs. Karen Day noted, "We were able to easily transition into our Digital Distance Learning Plan because of our strategic planning. Our technology platforms are cutting edge. We have been providing tech-active lessons for ten years with our one-to-one Tablet PC program. Our faculty and students are well-versed in digital learning and communication tools. There's no substitute for the face-to-face MND Experience, but we knew that we could make the best of this situation, keep the MND spirit alive and prepare our students for the next steps in their educational journey."

"There's no substitute for the MND Experience, but we knew that we could make the best of this situation, keep the MND spirit alive and prepare our students for the next steps in their educational journey."

- Principal Karen Day

When faced with the unprecedented reality that the Class of 2020 would not be able to experience the traditional end-of-year senior activities or commencement exercises, MND was once again prepared. Tapping into the creativity, dedication and resourcefulness of faculty and staff members, MND was able to thoughtfully plan safe and special events to honor the Class of 2020.

Olivia Doll '20 waves to MND Faculty & Staff members during Cougarbration.

On April 27, MND held "Cougarbration", an event that allowed seniors to participate in a scheduled drive-thru in the MND parking lot where they were safely celebrated and cheered. Students remained in their vehicles while they processed through the parking lot. It was an opportunity for them to receive important items such as caps and gowns, senior yard signs, time capsules and other special graduation gifts. More importantly, it provided a meaningful memory for a senior class whose ending was like no other class before.

Perhaps the biggest challenge MND faced in our socially distant COVID-19 world was the Class of 2020 Baccalaureate Mass and Commencement Exercises. Joining together in prayerful celebration as a graduating class is a rite of passage for seniors as well as donning MND's columbia blue cap and gown to receive their hard-earned diploma. Once again, MND rose to the occasion. The Baccalaureate Mass was

live streamed from St. Columban Church on May 25. Seniors and their families were able to join together virtually and spiritually while experiencing a joyful MND liturgy.

MND's four-day graduation celebration took place May 26-29. Each student was scheduled for a particular day and time so that they, along with six family members/guests, could safely come to MND for an individual graduation ceremony and formally receive their diploma. It also afforded students and families the opportunity to have professional photos taken, walk the halls one final time and say goodbye to faculty and staff members.

Michelle Dickert '20 & Maria Dickert '20 walk the halls of MND one final time following their individual graduation ceremonies.

Throughout all the changes, challenges and uncertainty, let us not forget the amazing MND students. They transitioned to Digital Distance Learning with poise and perseverance. They found unique and creative ways to support and interact with one another and continued to exude the spirit of MND. At this time, we do not know what the future holds in terms of the COVID-19 pandemic and how the 2020-2021 school year might be affected. However, you can be sure that MND and our students will be prepared.

Principal Karen Day gives an elbow bump to Valedictorian Jessica Mitsch '20 during her individual graduation ceremony.

MND found some creative ways to use Zoom to stay connected. Here are few fun things we did!

- MND hosted several Zoom Open Mic nights for students to take part in.
- Students in Ms. Paula Schute's Precalculus Honors class received a little "precalculated surprise" when USWNT star and 2019 World Cup champion **Rose Lavelle '13** dropped in on their Zoom review session!
- **Caley Burke '00**, a graduate of MIT and current rocket scientist for NASA, joined Mrs. Mary Beth Rieth's Engineering classes via Zoom. Caley discussed her career as an aerospace engineer, her work on the International Space Station and the Mars Rover.
- As the Freshmen and Sophomore dance could not take place as scheduled in April, MND hosted a virtual dance party via Zoom. Students got all glammed up for a virtual fashion show and learned a choreographed dance for TikTok!
- MND's Multicultural Student Union hosted a Zoom Luau in honor of Asian Pacific American Heritage Month in May. Students wore their favorite Hawaiian-themed outfit as they heard from MND students who recently travelled to Japan as part of MND's newest cultural/academic exchange.

MiND-fuel Reads

MiND – fuel Reads , MND’s common read initiative, brings our community together in a shared academic manner to provide authentic opportunities to explore a wide variety of topics. It is designed to fuel curiosity and creativity, while deepening the consciousness of our learning community around topics that are worthy. As St. Julie Billiard’s vision calls us to “teach them what they need to know for life,” this experience provides the vehicle for our learning community.

This summer, the MND Community read *I am a Refugee: Finding Home Again in America* by Mirsada Kadiric. It is a moving, personal story of a harrowing childhood journey in 1992 from war-torn Bosnia to Western Europe and finally to the United States. We look forward to this exciting opportunity that will allow our students to experience other cultures as we work toward peace and justice in our world.

MND Launches Japanese Cultural Exchange

MND was pleased to launch its inaugural cultural exchange with the Sisters of Notre Dame de Namur affiliate school, Seishin Girls' High School, in Niigata, Japan. Seven students along with two staff members traveled to Japan on January 31, 2020 where they spent two weeks as part of the exchange.

Students visited cultural sites in Tokyo and Niigata, including temples, shrines, theme cafes and the Ghibli Museum. They also attended classes and learned about the Japanese educational system. In preparation for the exchange, students took part in meetings to learn about Japanese culture as well as basic Japanese expressions.

Spirit of Sr. Dorothy Stang Award

Congratulations to **Kelly Kendall '20** who was the recipient of the 2020 Spirit of Sr. Dorothy Stang Award. The Archdiocese of Cincinnati's Missions Office offers this annual recognition in partnership with the Sisters of Notre Dame de Namur to "honor those in the Archdiocese of Cincinnati who exemplify the values of Sister Dorothy."

Kelly served as a co-founding member of MND's Environmental Action Team, which completed its first year as an MND Service + Justice student organization. Under Kelly's leadership and inspired by her passion for caring for the Earth, the organization hosted monthly meetings and hands-on events designed to raise awareness and to protect the integrity of creation.

Beyond her active involvement in the Environmental Action Team, Kelly has excelled through her studies in Environmental Science. She participated in Cincinnati State University's annual "Sustainable is Attainable" conference and co-authored a proposal for the annual Caring for Our Watersheds Competition. Her proposal - to create a pollinator garden - will be included in the Environmental Action Team's upcoming proposal for the creation of a community garden in memory of Sr. Dorothy Stang. Truly, Kelly has lived out her faith and values of caring for people and God's creation during her time at MND. Kelly will be attending the University of Cincinnati this fall and majoring in Environmental Engineering.

Socially-Distant Service

MND's Community Service Program did not let the COVID-19 pandemic slow them down! While service trips and other events had to be postponed, altered or cancelled, MND students and staff found creative ways to continue to give back to the community during this unprecedented time.

Facilitated monetary donations to St. Vincent de Paul to help purchase Uber Eats gift cards for the SVDP staff, who were on the front lines of the pandemic as they continued to serve others at the SVDP Outreach Center.

Spring cleaning for a cause! MND students and staff donated various clothing and household items to the Galilean Children's Home in Liberty, KY. Items were used to help stock the Galilean Home Trading Post, a thrift store that serves the community.

Shared the spirit of MND through a letter writing campaign to residents at Cottingham Retirement Community and St. Charles Community.

STATE RUNNER-UP!

MND Diver Sarah Krusinski '21 placed 2nd in the 2020 Girls Division 1 One Meter Diving State Championships in Canton, OH on February 20, 2020.

Sarah won both the Sectional and District Championships to punch her ticket to the State Championships for the second year in a row. She was the fourth seeded diver heading into the tournament.

Undefeated

As we all know, MND and Toledo Notre Dame would never meet in the state semi-final as the state tournament was canceled due to the Covid-19 pandemic. Even though the season ended with disappointment and unfinished business, the varsity basketball team finished their season with a perfect 28-0 record. GGCL Champions, Regional Champions, Associated Press #1 ranking in the state, #3 in the country by Maxpreps and Blue Star Media's National Champions. MND will be hanging a banner to commemorate the team's perfect season!

1,000 POINT CLUB

Congratulations to **Makira Cook '20** and **KK Bransford '22** for reaching 1,000 career points during MND Basketball's 2019-2020 season! They join an elite group of former MND basketball players.

Mount Notre Dame Honor Roll of Donors

Dear Mount Notre Dame Family:

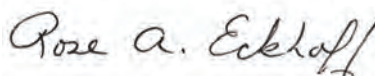

Throughout this past year, hundreds have generously invested in Mount Notre Dame and supported the excellent experience offered to our students. As an investor in MND your commitment to our mission is what permits us to provide students with many opportunities. Through your generosity, we honor the legacy set forth by St. Julie Billiart, Foundress of the Sisters of Notre Dame de Namur. Investing in MND ensures we continue providing an excellent Catholic education to all young women who seek it. Investments made this past fiscal year supported the following:

-  School security
-  Health and Wellness Counselor
-  Educational tools and resources
-  Financial tuition assistance
-  Building upgrades
-  Technology investments
-  Athletics
-  Ministry and Community Service
-  MND's General Endowment Fund
-  Endowed Scholarships

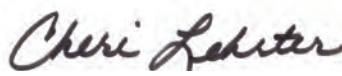

The following list recognizes those who have invested in MND this past year (July 1, 2019 – June 30, 2020).

MND has a long history of excellent fiscal stewardship, ensuring that your support and those of so many others are being used in the best interest of our students. St. Julie is known to have said, "Time is short, evening will soon overtake us, so don't let us set any limits to our generosity towards God." May the Good God bless our benefactors abundantly for their giving hearts.

Very gratefully yours,

Rose A. Eckhoff

Mount Notre Dame proudly participated in a unique city-wide competition called Girls' Schools Unite! May 4 - 8, we teamed up with Mercy McAuley, St. Ursula, Seton, and Ursuline to raise awareness and financial support for all-girls Catholic education in Cincinnati. Gifts made during the competition went to the Annual Giving Fund which provides financial assistance, technology investments, and campus improvements for current and future students at MND. The competition was based on alumnae participation. This year, Seton led the competition with the highest percentage of their alumnae making donations. We are excited to participate in the competition again next year, which will be May 3 - 7, 2021 and hope to have even more MND alumnae involved!

CLASS NOTES

1940s

Jeanne Finan Clark '47 celebrated her 91st birthday quarantine style with a family and friends birthday street parade including the Montgomery Fire Department playing "Happy Birthday" from their truck.

1960s

Sr. Carol Lichtenberg '64, SNDdeN has completed her term as Provincial Moderator of the Sisters of Notre Dame de Namur, Ohio Province and will now be taking a sabbatical.

Carol Smith Walker '64 (right) poses with her daughter, **Chris Walker Lederle '88** (left) and granddaughter, **Caroline Lederle '20** (center) documenting three generations of Mount Notre Dame graduates.

Connie King Baker '67 and her husband Terry celebrated their 50th wedding anniversary on May 23 this year! They have been blessed with three great kids and eight wonderful grandkids.

1970s

Christine McGinn '77 started her second consulting business with a team of colleagues after moving back to Arizona in late 2017.

1980s

Laney Bender-Slack '86 recently published an edited book called, "Internationalization in the Classroom-Going Global" after studying internationalization with 12 teachers and teacher educators for a year, which included a month-long immersion in Peru. She was funded by a \$90,000 Fulbright-Hays grant from the U.S. Department of Education. Teachers and teacher educators completed curricular projects to globalize their classrooms and implemented them upon their return. This book shares their stories.

1990s

Kim Crockett Williams '93 is working as a third grade ELA & SS Teacher in the Milford School district.

Melissa Egan Kefauver '99 and her husband William adopted their daughter, London, two years ago.

2000s

Ali Keyser Wittekind '01 graduated from Galen College of Nursing at the top of her class. She will be working as an RN in the CVICU at Mercy Health.

Alyssa Gerth '09 graduated from The Ohio University Heritage College of Osteopathic Medicine with her Doctorate of Osteopathic Medicine. She was named Student Doctor of the Year and received the Social Medicine Award for her work with faculty and students toward dismantling systemic racism and inequity in medical education and in the clinical setting. She will be returning home as a resident physician in The Christ Hospital/University of Cincinnati Family Medicine Program.

2010s

Samantha Kelsey '10 graduated as a Doctor of Veterinary Medicine on May 15, 2020.

Madelanie Ryan '12 recently graduated with her Juris Doctorate (J.D.) degree from Wake Forest University.

Maria Veneziano '14 graduated from Miami University in 2018 and is currently working as a graphic designer for Vineyard Vines in Connecticut.

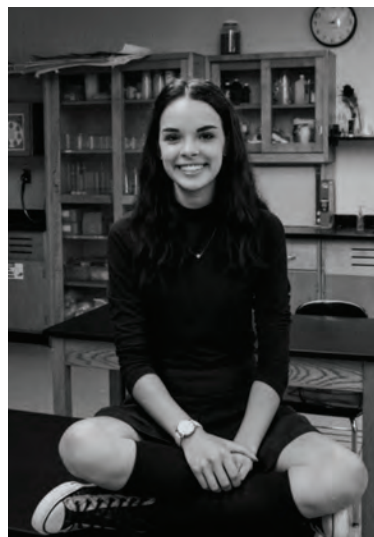

Caroline Cusick '15 (right) moved to Southern California after graduating from college and recently attended the NBAA Schedulers and Dispatchers conference in Charlotte, NC where she ran into a fellow MND alumna, **Jennifer McCormack Stone '03**!

A Note about Class Notes...

Class Notes are only published when received directly from the individual(s) who are the key focus of the photo or information submitted. This is to ensure the safety and privacy of our alumnae and their families. There is no guarantee that all submissions will be published due to space limitations and printing deadlines. Please submit your news via the What's New Form available on our website.

Isabella Geraci '20 (right), surprised her mom, **Concetta Overberg Geraci '76** (left) with these two pictures framed side-by-side. Isabella recreated a photo of her mom taken in the Chemistry room. They are both seniors in these pictures taken 44 years apart.

St. Julie Billiart Christian Leadership Award

The St. Julie Billiart Christian Leadership Award recognizes both an alumna of Mount Notre Dame and a graduating senior who have demonstrated a deep personal commitment to Jesus Christ through her contributions to the spiritual life of the Mount Notre Dame community, as well as through their active participation in the life of their parishes, and service in the broader community. These women exemplify the Christian ideals of integrity and respect in their relationships with others, and they are signs of God's goodness in all they say and do. This year's alumna recipient was **Liz Costello Cutter '82**.

Support the Arts

MND launched the *Achieve More - Now and Forever* Campaign in October of 2018 as a result of recommendations from the 2017 Achieve More Strategic Plan. Through the generosity of many people who support our school, we were able to grow our endowment by almost two million dollars and almost doubled the number of named endowed scholarships! We also raised money for capital projects, including the new Learning Commons that was completed last summer and the current renovation of the theater and old library space into a Performing Arts Center.

We are very grateful to our benefactors who participated in the major gift phase of our campaign. Now we are moving into the Public Phase. We want to give all our supporters the opportunity to invest in our Performing Arts Center to help us purchase many items. The list is provided below and each investment will include recognition of the generous benefactor. Online gifts can be made at www.mndhs.org/now-and-forever-campaign/ or call President Judy Back Gerwe '78 at 821-3044 x126.
