

# MINISTRY & RELIGIOUS STUDIES DEPARTMENT

## POINTS OF PRIDE

The life and charisms of St. Julie Billiart and the Sisters of Notre Dame de Namur are evident in our curriculum and deeply rooted in our identity as a Notre Dame Learning Community

**5** interesting and challenging electives are offered to juniors and seniors, giving students voice and choice

At each grade level, students directly engage in meaningful activities with the Sisters of Notre Dame de Namur (many of whom work and live right next door!)

We collaborate closely with MND Campus Ministry to minister to students
