

2022 – 2023 Calendar Overview

Summer 2022

Greetings MND Students and Families,

I am excited to present the full school year rotational calendar and a glimpse into our C Day schedule. The calendar and chart that follows provides the overview of the 2022 – 2023 calendar as well as the current C days outline by week. Finally, each MND student will receive a printed MND block schedule planner on her first day of school which contains the daily rotation, special school events for students, club meetings, etc. In the coming weeks, MND Central (on BAND) will be populated with our events.

A few comments about MND's A/B/C schedule rotation. After the pandemic year of 2020 – 2021, MND learned that having a standard daily schedule rotation each week was of great benefit to students and faculty. We found that we were able to *preserve academic time* by concentrating instructional minutes on A/B days and scheduling supplemental and co-curricular/community-building activities on other days – now known as "C" days. This minimized unbalanced interruptions to classes that were also causing confusion for students and faculty. C Days often still have class meeting time (C-A Days and C-B Days) and we have listened to both student and faculty feedback after our inaugural C Day year – putting even more minutes back into class time.

C days were named to place a focus on building community – our sisterhood – here at MND. Our community groupings (like a homeroom) help to support this goal. New students will be welcomed into a *sisterhood* where they will get to know other MND students, grow in leadership and have fun! As in years past, C days will often have a late arrival time so that our faculty can attend Professional Learning Community (PLC) meetings. Please remember that our building will be open at the regular time so that students can plan to arrive at their regular arrival time if that is better for families.

The administrative team has worked hard to solidify as much as we can now so that families are aware. We do ask for your understanding should we need to make any slight adjustments, which would be communicated in advance. Looking forward to a great year together!

Karen Day, Principal
