InterNet Services (INS) is a consulting firm specializing in language and cross-cultural training. For more than a decade, we have developed and implemented a variety of programs for thousands of Americans and Internationals from every corner of the world.

These programs are challenging, effective and recognized throughout the Tri-State area for their excellence.

The staff of **INS** has over a century of international education and work experience. They are well-trained, highly motivated, and experts in their fields.

Our philosophy is straightforward. We believe culture and communication are inseparably bonded; *meaning* is in the *person* not just the word. For global success, **understanding the difference makes the difference.**

InterNet Services makes a universal commitment to provide quality programs of uncompromising professionalism. From any cultural background, in any language, we give you our word!
